# SCHOLARSHIPS AND FINANCIAL AID

08/2018

Education is one of the best investments you will make. While our graduates do quite well (Viterbo graduates have a 99 percent placement rate), this is not an investment you need to make on your own. Viterbo is here to help.

Viterbo offers academic scholarships to new full-time transfer students enrolling in traditional undergraduate programs. Online bachelor completion programs are excluded from these scholarships. Transfer students should also apply for additional scholarships and complete the FAFSA so we can award all federal, state, or institutional aid available based on merit, need, talent, and the major program of study. The FAFSA priority filing deadline for fall 2019 is **Feb. 1, 2019**.
