Academic Advising Perception Inventory Fall 2013

Academic advising is an important part of the Viterbo experience and we strive to have quality academic advising. The Academic Advising Committee periodically sends out a survey asking about students’ advising experiences. We would appreciate you taking the time to respond to the twenty-four items in this anonymous survey. This will allow you to provide feedback about your advisor and the advising program in general. The results of the survey will be used to work toward improvements in academic advising here at Viterbo.

If you have recently changed advisors, please answer the survey for the advisor you spent the most time with.

If you would like to be entered into the drawing for a prize, please provide your name and contact information at the end of the survey. The survey is anonymous and names will NOT be attached to survey results or shared with advisors.

The time you spend responding to this inventory will be greatly appreciated by us and your advisor. Your opinion does matter and the survey results will allow us to work together to improve the quality of your experience here.

Sincerely,
Lisa Konkel, Academic Advising Coordinator, and the Academic Advising Committee
