

7 RIVERS

UNDERGRADUATE RESEARCH SYMPOSIUM

16th Annual

Seven Rivers Undergraduate Research Symposium

Viterbo University, La Crosse, Wis.
Friday, Nov. 9, 2018

What? This multidisciplinary symposium showcases the research and creative works of undergraduate students from institutions throughout Wisconsin, Minnesota, and Iowa.

Why? Features of the symposium include keynote speaker Dr Amit Sood, professor of medicine at Mayo Clinic; poster sessions; artistic displays; performances; and oral presentations.

Who? Undergraduate students from all academic disciplines are invited to present their work.

Details: Registration and abstract submission information can be found at www.viterbo.edu/sevenrivers.

Questions? Contact Colin Burns-Gilbert at sevenrivers@viterbo.edu.
